

Waretown Basketball Association 2011 – 2012 Season

Sponsorships

Sponsorships help the WAA offset the costs associated with our program such as uniforms, insurance, equipment, janitorial fees and officiating fees just to name a few.

There will be two basic forms of business sponsorships:

Standard Team Sponsorship - \$150.00 (tax-deductible dollars)

Sponsorship Form

Includes having your business name on the back of each shirt for the team you are sponsoring.

This provides great exposure for your business as well as support to your community.

These sponsorships will be allotted on the first come-first served basis.

On average our league consists of 25 to 30 teams annually.

Game and/or Game Day Sponsorship Programs:
